

If enough monitor mixes are available:

**John** should have separate mix with mostly piano and his voice.

**Delene** should have separate mix with mostly her guitar, dulcimer and her voice

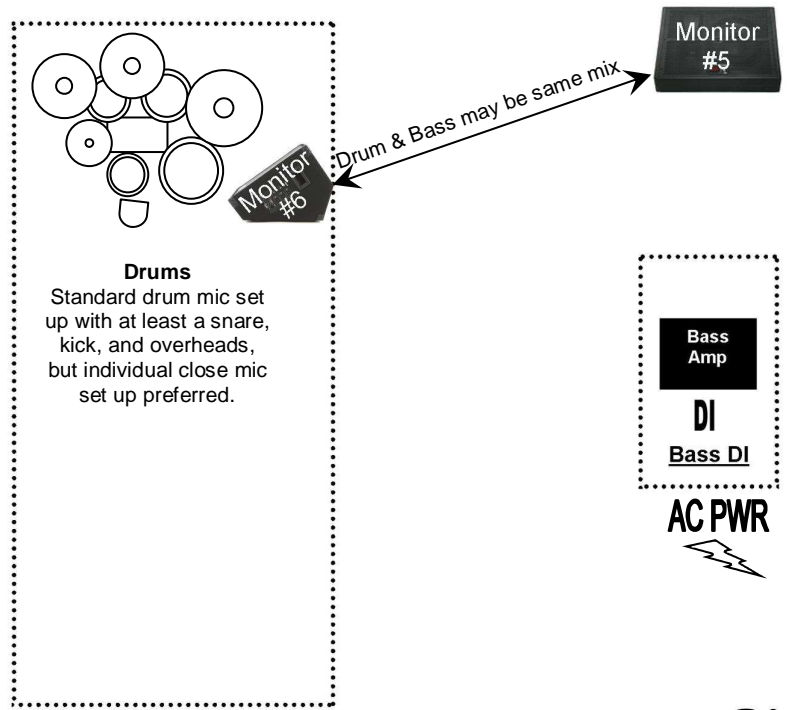

**Barry** wants everything, with emphasis on his voice and sax

**Joe** wants everything with emphasis on his guitars and voice

**Drums** (Jeff) and **Bass** (Jim) can share a mix which should include guitars, voices, and some drums.

If only two mixes available:

We'll just have to dial it in as best we can.
